How to File

To receive electronic notifications for the status of your application, be sure to attach a copy of your completed Form G-1145 to the first page of your application package.

For instance, if you are filing Form I-90 and would like to receive e-notifications for its status, clip the completed Form G-1145 to the first page of your I-90 application package before mailing it to USCIS.

It is important to note that you will receive one email and/or text message for each form you are filing.
